Overview Playing Field

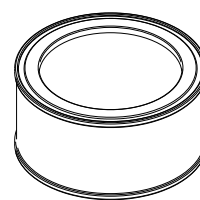

1 x Playing field
1200 x 680 x 19 mm

1 x Carrier plate
1200 x 700 x 19 mm

Wedges
2 x 670 mm
4 x 180 mm

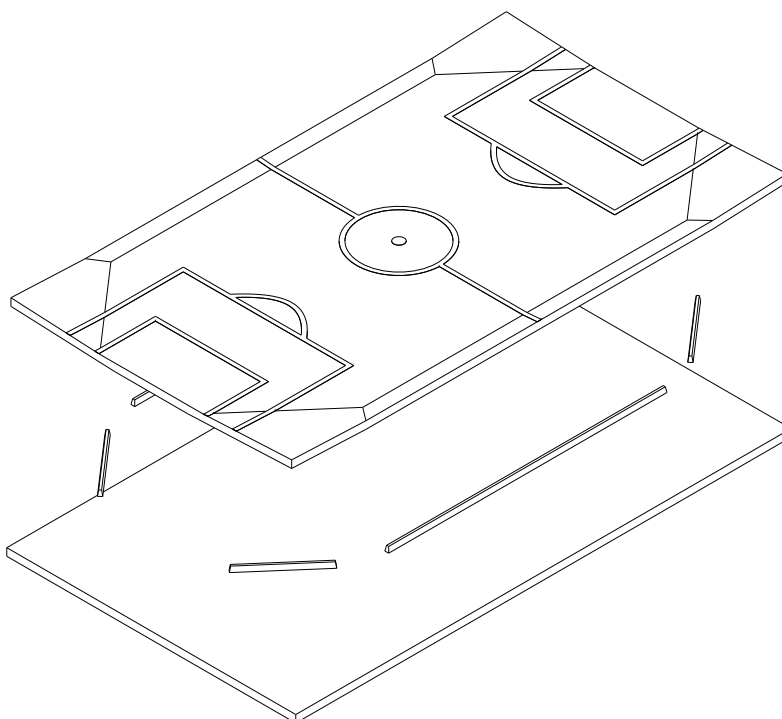

Contact adhesive
100g

Assembly of Playing Field

First, the corners and sidelines are raised by inserting wedges into the playfield grooves on the underside of the playing field. Then the playing field is glued to the carrier plate.

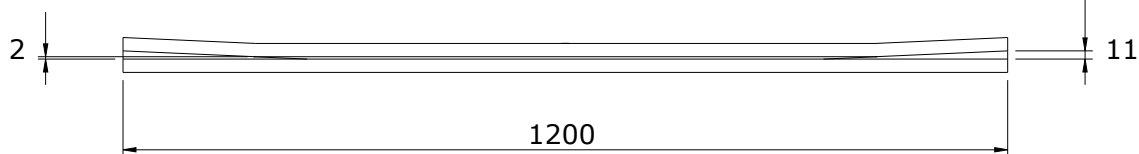

- Dimensions playing field: 1200 x 680 x 19 mm
- Dimensions carrier plate: 1200 x 700 x 19 mm
- Corner elevation high: 11 mm
- Sideline elevation high: 2 mm
